

Giaconda 2005 'En Primeur' Offer

Once again we are one of the few shops in Australia, fortunate enough to have a guaranteed quantity available for pre-arrival sale. As expected, quantities are not great, so the wines will be allocated on a first-in first-served basis.

We have included Rick Kinzbrunner's notes on each of the wines. Please note that none of the wines are finished or bottled so these notes may not reflect the finished wines.

2005 Chardonnay *\$110 each and \$100 each per dozen.*

A great follow on to '04, extremely lifted nose with powerful fruit balancing the mineral and meal characters. A classically rich palate, has great focus with the minerality keeping the wine fine and drawing it out. This should develop into one of our great chardonnays as the '05 vintage produced fruit of extraordinary quality.

2005 Pinot Noir *\$85 each and \$77 each per dozen.*

Vibrant medium dense ruby colour, powerful nose of spice and rose petals with undergrowth starting to emerge. At this stage the palate is taut and nervy, but underlying density will eventually flesh out. This high portion of Nantua vineyard fruit in this wine gives lovely backbone tannin and acidity.

2005 Warner Vineyard Shiraz *\$86 each and \$78 each per dozen.*

Wildly exotic nose of brambles, graphite, bacon and charcuterie. So much is happening now with this wine, spicy, earthy with a touch of anise. Incredibly powerful but still retaining a wonderful delicacy. It all comes together with a tight, dry, long balanced finish. This is the style of shiraz that I'm aiming for and a further progression in our goals for Warner vineyard.

2005 Cabernet Sauvignon *\$62 each and \$56 each per dozen.*

Hints of cabernet leaf and cedar with underlying rich fruit. This carries through to the palate, but the softness of the merlot and cabernet franc is obvious here. Fleshy, long with still apparent tannin and acidity. This should be another classic Giaconda cabernet. Very limited.

The 2005 Giaconda release will be available for collection/delivery in May 2007. If you ordered any of the 2004 vintage from us, then they will be available from us now.

Order Form

As with the previous En Primeur, the 2005 Giaconda wines are yet to be bottled, so Giaconda wines are offering us choice of closure – stelvin or cork. In the order section for the Giaconda wines below please indicate your preferred closure. Depending upon demand we may or may not be able to fill your order with your desired closure. We will of course contact you to clarify in the event your selection is not available.

The dozen price applies to straight or mixed buys. Magnums may be included in mixed dozens to receive the dozen price. Each magnum counts as one bottle only, not two.

Payment terms are 100% of balance due upon placing your order to secure stocks. We will contact you in 2007 when the stock arrives to organise collection/delivery of your stock.
